The Art Academy of Cincinnati's Exhibition Studio Class is proud to present *Unraveling*, a popup exhibition hosted by the Contemporary Arts Center and displayed in the 6<sup>th</sup> floor Creativity Center. This exhibition was created in response to their current show *Baseera Khan: Weight on History*.

AAC's Exhibition Studio is an art class in which students develop a body of work to be displayed in a series of popup exhibitions around the Greater Cincinnati area. For this popup, students were invited to create an artwork in response to Khan's work, which often critiques power structures through the remixing and editing of personal, cultural, and architectural symbols. Exhibition Studio students have responded with new works in a range of media, including painting, sculpture, performance, and more.

### **List of artists:**

Ariel Beal, Gabriella Bourgeois, Cleöcrt, Destiny Galbreath, Darnell Haywood, Cas Landman, Katie Popp, Jenna Riffe, Mackenzie Sexton, Rory Torstensson, Keith Wallick, Isabelle Williams, and Jacob Zinnecker
