

Join us for the most creative fundraiser in the region!

On Saturday, Nov. 22, 2025, *Cuisine Art Cocktails* explores the interplay between the visual and culinary arts through an unforgettable dinner party and full-museum immersive experience, all to support Cincinnati's home for contemporary art.

You're invited to showcase your culinary creativity to celebrate contemporary Cincinnati!

Cuisine Art Cocktails features light bites from the city's finest chefs, creative cocktails, immersive programming, and exclusive access to CAC's galleries. Guests enjoy great food, great art, and tremendous talent during an adults-only night at the museum.

Cuisine Art Cocktails food vendor opportunities include:

Entire Evening: Provide your creative dishes for the entire evening, from 7-11 p.m.

Early Shift: Offer a creative dinner-by-the-bite menu from 7-9 p.m.

Late Shift: Create a menu incorporating after-party snacks from 9-11 p.m.

Unleash your creativity and showcase your favorite dishes and ideas inspired by contemporary culture. Space is limited and vendors are provided one 8-foot table, advertising on CAC's website and social media (27k Facebook followers, 28k Instagram followers), opportunity to be featured on local media, and inclusion in CAC's email distribution to ~10,000 recipients and CityBeat's email distribution to 50,000+ recipients.
