

CALL TO ARTISTS

Zonta Club of Cincinnati 2023 Art Exhibition

Wounded Healers-Transforming Pain to Wholeness & Health

Zonta Says NO to Violence Against Women during Zonta International's 16 Days of Activism

Zonta Club of Cincinnati is seeking artist submissions for their upcoming *Wounded Healers* exhibition to be shown at the Contemporary Arts Center (CAC) November 9 through December 10, 2023.

The work on view will depict the personal and painful journey of physical, emotional, and spiritual abuse leading to Healing, Hope and Wholeness as artistic expressions created through 2-D mediums (drawing, painting, photography and print). Through this exhibit Zonta Club of Cincinnati hopes to empower artists from the Greater Cincinnati region to bring awareness to the lived experiences of those seeking a world where no woman lives in fear of violence.

By uniting our voices, we advocate for all those who have suffered gender-based violence.
